Child Care Centre Immunization History

■ Email: CDCIMM@hpechu.on.ca

TO BE COMPLETED AT TIME OF REGISTRATION & WHEN IMMUNIZATIONS UPDATED

Child Care operators are required by the Child Care and Early Years Act, 2014, Reg 137/15, s.35 to ensure that all infants and children attending a child care centre are fully immunized as recommended by the local Medical Officer of Health, or have documentation in writing of the parent/guardian's reason why the child is not immunized. [Please note that once your child attends school, additional documentation is required under the *Immunization of School Pupils Act* if you choose not to immunize. Please contact Hastings Prince Edward Public Health (HPEPH) to discuss your options.]

Complete the following section and attach a copy of your child's immunization record (ensure child's name and date of birth are on the record). A copy of this information will be given to and kept on file by HPEPH. Public Health staff will review immunization information on each child enrolled in a Child Care program. If your child's immunizations are not complete you will be contacted by either your Child Care Centre or HPEPH.

Immunization records and updates are NOT automatically provided to public health by your doctor. There are three options available to update HPEPH with your child's immunization records: ■ Fax: 613-966-8145
