To Whom It May Concern:

SickKids Foundation is extremely pleased to recommend to you an exciting opportunity to support The Hospital for Sick Children (SickKids) through **Little Lambs Gives Back** happening for the month of December 2017. A portion of agency retained remuneration and donations made at 10 child care premises and 5 community locations will support the new building project at The Hospital of Sick Children.

Because of the support SickKids receives from this event and community initiatives like it, important advances have been made in child health research, new life-saving medical equipment has been purchased for our clinics and operating rooms, and our young patients continue to receive the best care that science, technology, and compassion have to offer – here in Toronto and around the world.

In order to ensure success, the organizers of this event require support from companies, organizations, and individuals who share their vision and hope for improved child health. It is my hope that you will consider supporting this initiative. Your commitment will not only ensure that this event is a fundraising success, it will also make a real difference in the lives of children today and for generations to come.

If you are able to lend your support to this event, please accept our deepest gratitude. Please note this letter is valid for one year from the date issued. Should you have any questions, please contact me at (416) 813-6166 ext 2238.

Please direct all event inquiries to the attention of:
